St. Pauls C/E Infant School and Sure Start Children's Centre

Headteacher's Newsletter – 14th June 2018

Parent Pit Stop

As we didn't have any parents at the parent pit stop last month we will not run the session scheduled for next Wednesday.

Please remember that as a Sure Start Centre we have Outreach Workers – Sarah Groombridge and Katie Bradbury who are able to support parents with any difficulties around housing, debt, parenting, child health etc so please catch one of them, ask at the office or e-mail cc@stpaulstongham.com if you need any help or advice.

Summer Fete

Planning is well underway for the Summer Fete on Saturday 23rd June from 12-3pm. Funds raised will go towards our new project – some climbing/play structure at the edge of the school playground which can be used all year round.

We will need lots of help to make it a success so if you can spare a little time please let one of your class reps know or add your name to the list stuck to the hall window.

The children are busy working on dances and we hope to see as many as possible performing these at 12.30.

Raffle tickets have been sent home. Please send back sold and unsold tickets by Friday 22nd June. More tickets are available from the office. The raffle will be drawn at 2.30pm on the day.

We have two more mufti days leading up to the fete:-

Friday 15th June – new toy for the toy tombola

Friday 22nd June – Jolly Jar – A jar decorated and filled with toys/sweets etc. (Please see the Friend's facebook page at <https://www.facebook.com/Friendsofstpauls> for more information.) There are glass jars available from outside the office if required.

Beech Class Cake Sale

Beech Class have their cake sale this Friday at 3pm. Beech Class children get to choose new things for their classroom using the money raised.

Please can Beech Class parents help by providing cakes to sell and can all parents please help by buying cakes at 3pm.

Maths Afternoon

Thanks to those parents who joined our maths session yesterday (13th June)

If you attended you will find a feedback sheet in your child's book bag. It will really help us to plan for the future if you are able to complete this and send it back into school.

Dates, reminders, calendars

All dates are notified to parents via newsletters and we do our best to send out text reminders, which I know many parents will be used to from doctors, dentists etc. However, please bear in mind that we are a small school and do not have automated systems to do this as our main priority is educating children.

We do have a calendar embedded into our website and this really is the best place to check for dates. It can be found at <http://www.stpaulstongham.com/st-paul-s-cofe-infant-school/calendar/> and then click on "google calendar"
