## Headteacher's Newsletter – 5<sup>th</sup> May 2020 – INFORMATION FOR PARENTS

I hope everyone is staying well.

I understand that this time it is hard for everyone and everyone is trying their best – we are all waiting to see what will happen next.

Please be assured that schools have really not been asked or told about what will happen next and I know that the constant speculation or so called “news” everywhere is not helpful for any of us.

It is hard for teachers to try and get the amounts of home learning ideas right and I know you get lots through from them but please don't feel under pressure, just do what you can. We know that you, as parents, are all in very different places trying to juggle work, home, different children/ schools expectations etc

Please do 3 things for us,

- 1) Be kind to yourselves!
- 2) Do things that are good for yours and your family's wellbeing. We can worry about academic learning later.
- 3) Let us know that you are OK by answering emails to teachers at least once a week.

We continue to be open to provide childcare for children whose parents are critical for the country's COVID-19 response and these parents have no other safe childcare option. So if you find yourself in this position please do contact me.

Please also let me know or Claire the vicar know if you need to access any help or support.

Remember that we remain St Paul's School, we are just operating differently. This means that we are still here for your child and you, but you just need to get in touch with us a bit differently.

And please click here for a little something for you and your child(ren) to enjoy – I hope!
